

PRIVACY NOTICE FOR NEWSLETTER SUBSCRIPTION

The newsletter of the Distretto Toscano Scienze della Vita is sent via e-mail, through the Brevo platform, to those who explicitly request it by filling out the appropriate form that can be reached at www.scienzedellavita.it and authorizing the owner to process their personal data.

DATA CONTROLLER

The Data Controller is the Fondazione Toscana Life Sciences, via Fiorentina, 1 53100 Siena, email: privacy@toscanalifesciences.org.

DATA PROTECTION OFFICER

The Data Protection Officer can be reached at email: dpo@toscanalifesciences.org.

TYPES OF DATA PROCESSED

The personal data requested when subscribing to the newsletter consist of identification and contact data; first name, last name, e-mail address necessary for sending the newsletter. The data will be retained until the moment of the user's request for cancellation, subject to the cancellation of the newsletter service by the Owner, which will result in the simultaneous deletion of the user's data.

PURPOSE OF PROCESSING

Personal information provided by users is used for the sole purpose of sending the newsletter, for science dissemination and networking purposes.

RETENTION TIME

The data provided will be used with computer and telematic tools for the sole purpose of providing the service and, for this reason, will be kept only for the period during which the service is active. Furthermore, the data will be kept until the data subject's request to object to being sent and the data subject's wish to opt out of receiving the newsletter, the data will then be deleted.

DATA PROCESSING

The data will be processed with the aid of electronic or in any case automated tools, in the manner and by means suitable to guarantee the security and confidentiality of the data. In particular, specific technical, organisational and procedural security measures are observed, so that an adequate level of data protection is guaranteed, in order to prevent data loss, illegal or incorrect use and unauthorised access. The data are processed exclusively by personnel in charge of the processing, in accordance with the principles of correctness, lawfulness, transparency, relevance and not excessive in relation to the purposes of collection and subsequent processing. The data relating to the online service are not subject to communication or dissemination, unless otherwise provided for by law or regulation. The sending of communications will be managed through communication platforms for sending newsletters of the Brevo company. Following consent to the sending of communications, identifying data will be stored on Brevo's servers; for further information on this, the interested party is invited to consult the privacy policy: <https://www.brevo.com/legal/termsfuse/>, <https://www.brevo.com/legal/privacypolicy/>.

COMMUNICATION AND DISSEMINATION

Data will be communicated to well-defined entities. In particular, within the limits strictly pertinent to the indicated purpose, the data will be communicated to

- specially authorised internal subjects of the Company
- subjects that provide services for the management of the information system and telecommunications networks, including e-mail, newsletters and website management, including Brevo; third parties that collaborate with the Data Controller for communication and ICT activities. The subjects belonging to the above categories will act as data processors appointed pursuant to Article 28 of the GDPR. The updated list of Data Processors is available at the Data Controller's offices.

OPTIONAL NATURE OF DATA PROVISION

The provision of data is optional. Refusal to provide the data will result in the inability to receive newsletters.

RIGHTS OF DATA SUBJECTS

At any time, the data subject may exercise his or her rights vis-à-vis the data controller, namely

- the right of access to one's own personal data
- the right to rectification and erasure of one's personal data
- the right to restrict the processing of their personal data
- the right to be notified in case of rectification or erasure of data or restriction of processing
- the right to data portability, where applicable
- the right to object.
